Speakers from Australia, Canada, Chile, Colombia, France, Germany, UK and USA

Summer School
2010: 16 Participants from Chile
Certificate Course/Diplomado
2011: 14 participants from Chile and Colombia

Master Governance of Risk and Resources
2012 – 201: 161 participants
104 graduates from Bolivia, Brazil, Chile, Colombia, Ecuador, Germany, Corea, Spain and Peru

11 Governance Lectures
Speakers from Australia, Canada, Chile, Colombia, France, Germany, UK and USA

HCLA-Fellowship

Research in ASTRONOMY
Astronomy, Geosciences and Environmental
-18 PhDs
-12 Research projects
-39 Publications

Future Perspectives
-Accreditation of the programmes
-Create new double-degree programmes
-Increase the number of e-learning modules
-More joint research projects
-Extend international cooperations in LA
-Export of further education programmes
-Capacity building
